

15th Edition

# GreenCo Summit 2026

*Green Makes Business Sense*

18-19 June 2026 | New Delhi

Confederation of Indian Industry

**India's Largest Conference  
on Environmental Sustainability**

Two-Day Exhibition on Green Products,  
Technologies and Services

## GreenCo Summit 2026

**Conference Theme** : Scaling Net Zero and Circularity: Commitment, Innovation, Collaboration

**Date** : 18-19 June 2026

**Venue** : Multi Purpose Hall  
Bharat Mandapam Convention Centre | New Delhi

### Event Schedule

<b>Day 1: 18 June 2026 (Thursday) - 1000 Hrs to 1810 Hrs</b>			<b>(Venue : Multi Purpose Hall)</b>
Time	Session Number	Session Topic	
10:00 - 11:10 Hrs	-	GreenCo Summit 2026 Inaugural Session	
11:20 - 12:45 Hrs	Session 1	Theme Session – Panel Discussion: Scaling Net Zero and Circularity: Commitment, Innovation, Collaboration	
14:00 - 15:30 Hrs	Session 2	Net Zero and Circular World: Policy, Finance & Global Cooperation for Scale	
15:30 - 17:00 Hrs	Session 3	Spotlight Session - The Intelligent Planet: How Emerging Technologies are Rewiring Green & Sustainability	
17:00 - 17:50 Hrs	Session 4	GreenCo Champions Panel - Net Zero and Circularity through GreenCo: Industry Experiences	
18:00 - 19:00 Hrs		GreenCo Rating Awards Ceremony <i>(By invitation only)</i>	
<b>Day 2: 19 June 2026 (Friday) – 1000 Hrs to 1720 Hrs</b>			<b>(Venue : Multi Purpose Hall)</b>
10:00 - 11:30 Hrs	Session 5	Technical Session - Net Zro for Industry: Operational Excellence and Value Chain Action	
11:45 - 13:20 Hrs	Session 6	Technical Session - Circularity for Net Zero: Design, Materials, and Lifecycle Thinking	
14:15 - 15:30 Hrs	Session 7	Technical Session - Clean Energy and Electrification Pathways for Industrial Decarbonisation	
15:30 - 16:50 Hrs	Session 8	Technical Session - Water Stewardship and Nature-Based Solutions for Sustainable Industry	

## **Draft Programme**

### **Day 1: 18 June 2026 (Thursday)**

0830 hrs	Registration	
<b>1000 Hrs – 1110 Hrs: Inaugural Session</b> <b><i>Scaling Net Zero &amp; Circularity: The Decade of Action</i></b> As net zero and circularity pave the way for a climate resilient future, implementing strategic actions is of prime importance. This session will highlight the need to accelerate the transition towards net zero and circularity through leadership-driven initiatives and collaboration. Participants will gain insights on holistic thinking and the urgency of scaling net zero and circularity that enable a sustainable and resilient future.		
<b>1130 Hrs – 1245 Hrs: Session 1: Theme Session – Panel Discussion</b> <b><i>Scaling Net Zero and Circularity: Commitment, Innovation, Collaboration</i></b> Collective actions form the foundation of any movement. As industries work towards scaling net zero and circularity, it is imperative that all stakeholders must come together. Commitment marks the cornerstone; innovation acts as the enabler, and collaboration is crucial for widespread adoption. This session will share insights on the approaches taken by businesses in their journey from leadership commitment to collaborative solutions that accelerate the transition towards a sustainable future.		
1130 – 1135 hrs	Opening Remarks by Session Moderator	<b>Mr Hemakiran Gupta</b> Global Head – Sustainability Services Practice Tata Consultancy Services Limited
1135 – 1235 hrs	<b>Suggested Panelists:</b> <b>Mr Deepak Gupta*</b> , Chairman & Managing Director, GAIL (India) Limited <b>Mr Susanta Kumar Purohit</b> , Chairperson, V.O.Chidambaranar Port Authority, Government of India <b>Mr Ashish Bhandari</b> , Managing Director & CEO, Thermax Group <b>Mr Tarunesh Mathur</b> , Managing Director & CEO, Schindler India Pvt. Ltd. <b>Mr Fahim Sopariwala</b> , CEO, Green Gene Enviro Protection and Infrastructure Limited	
1235 – 1245 hrs	Discussion and Q&A	
1245 – 1400 hrs	<b>Lunch Break &amp; Visit to Exhibition</b>	
<b>1400 Hrs - 1530 Hrs: Session 2: Net Zero and Circular World</b> <b><i>Policy, Finance &amp; Global Cooperation for Scale</i></b> The key enablers or drivers of any transition are policy, finance, and cooperation. Policy sets the direction, finance builds momentum and cooperation results in the coordinated implementation. This session will enable the participants to understand the holistic perspective on how these enablers can work in synergy to drive the transition towards net zero and circularity. This discussion will also highlight opportunities for strengthening partnerships for greater impact.		
1400 – 1405 hrs	Opening Remarks by Session Chair	<b>Mr P S Narayan</b> Chairman, CII GreenCo Bangalore Forum & Global Head of Sustainability & ESG at Wipro Limited, and Managing Trustee– Wipro Foundation
1405 – 1505 hrs	<b>Suggested Panelists:</b> <b>Dr Anshu Bharadwaj*</b> , Programme Director, Energy, Green Transition & Climate Change, NITI Aayog, Government of India <b>Mr Ajeya Bandyopadhyay</b> , Asia-Pacific Lead of Climate Advisory, International Finance Corporation (IFC) <b>Mr Cristiano Massimo Pasini*</b> , Director and Representative UNIDO Sub-Regional Office in India <b>Mr Sameer Khan</b> , Executive Director, Institutional Banking Group, DBS Bank <b>Mr Rene Van Berkel</b> , Global Expert in Circular Economy & Resource Efficiency <b>Ms Tanvi Mohan</b> , Textile Strategist, Circle Economy	
1505 – 1515 hrs	Discussion and Q&A	

1515 – 1530 hrs	<b>Health Break</b>	
<b>1530 Hrs - 1700 Hrs: Session 3: Spotlight Session</b> <b><i>The Intelligent Planet: How Emerging Technologies are Rewiring Green &amp; Sustainability</i></b> The race to a sustainable future is no longer powered by policy alone. It is being accelerated by machines that think, models that mirror reality, and computers that perform equivalent to classical physics. This spotlight session brings together the frontier of artificial intelligence, IOT, digital twins, quantum computing, and many more to explore how these converging technologies are becoming the most powerful tools in the green transition toolkit.		
1530 – 1535 hrs	Opening Remarks by Session Chair	<b>Mr K K Sharma</b> Chairman, CII-GreenCo Delhi Forum & Whole Time Director – EHS, DCM Shriram Ltd
1535 – 1555 hrs	Presentation	<b>Mr Sankaranarayanan “Shanky” Viswanathan</b> Vice President & Head of Business Innovation Corporate Technology Office, Tata Consultancy Services Limited
1555 – 1615 hrs	Presentation	<b>Mr Sreejit Roy*</b> Deployment Leader: GenAI Platform IBM
1615 – 1635 hrs	Understanding ecosystems through data, science, and validation	<b>Mr James Abraham</b> Founder Mynzo Carbon
1635 – 1655 hrs	Presentation	<b>Mr Marc Binder</b> Global VP, Sustainability Consulting Sphera Solutions Inc.
1655 – 1700 hrs	Discussion and Q&A	
<b>1700 Hrs - 1750 Hrs: Session 4: GreenCo Champions Panel</b> <b><i>Net Zero and Circularity through GreenCo: Industry Experiences</i></b> GreenCo-rated companies are demonstrating how structured frameworks can support industries in advancing both net zero and circularity goals while improving operational performance. This session will bring together GreenCo champions to share their implementation journeys, key initiatives, challenges, and measurable outcomes across areas such as resource efficiency, energy, water, waste, renewable energy, and circularity. The discussion will offer practical insights into how the GreenCo framework is helping organizations drive environmental performance, business value, and long-term sustainable growth.		
1700 – 1705 hrs	Opening Remarks by Session Chair	<b>Mr K S Venkatagiri</b> Executive Director CII Green Business Centre
1705 – 1745 hrs	<b>Suggested Panelists:</b> <ul style="list-style-type: none"> <li>• <b>Mr Thakur Pherwani</b>, Chief Sustainability Officer, TVS Motor Company Limited</li> <li>• <b>Mr Sandeep Kumar</b>, Chairman, CII-GreenCo Ahmedabad Forum &amp; Plant Head, Tata Motors Sanand</li> <li>• <b>Mr Murali</b>, Plant Head, ITC Limited, Paperboards and Specialty Papers Division, Unit Kovai</li> <li>• <b>Mr Pradeep Singh*</b>, AVP, Chief HSE &amp; Sustainability at Hindustan Zinc Limited</li> </ul>	
1745 – 1750 hrs	Discussion and Q&A	
<b>1800 hrs – 1900 hrs: GreenCo Rating Awards Ceremony (By Invitation only)</b>		

\* Invited. Confirmation is awaited

**Day 2: 19 June 2026 (Friday)**

<b>1000 Hrs – 11:30 Hrs: Session 5: Technical Session</b> <b><i>Net Zero for Industry: Operational Excellence and Value Chain Action</i></b>		
Achieving net zero requires industries to address emissions across both operations and value chains. This session will highlight how organizations are improving operational efficiency, reducing carbon intensity, engaging suppliers, and integrating sustainability across business functions. Industry leaders will share practical approaches, implementation experiences, and key lessons in driving decarbonisation across manufacturing, services, and industrial ecosystems.		
10:00 – 10:05 hrs	Opening Remarks by Session Chair	<b>Ms Vaishali Surawar</b> Vice Chair, CII GreenCo Council & Chief Sustainability Officer, Manufacturing Centre of Excellence (MCoE), Hindalco Industries Ltd
10:05 – 10:25 hrs	Presentation	<b>Mr Vipul Arora</b> Global Head of Sustainability HCLTech
10:25 – 10:45 hrs	Presentation	<b>Mr Ananda Reddy</b> Head - Advanced Engineering & Technology and Engine Design & Development, Hero MotoCorp
10:45 – 11:05 hrs	Presentation	<b>Mr Anil Kumar Taparia*</b> Chief Operating Officer - Green Hydrogen ACME Solar Holdings Limited
11:05 – 11:25 hrs	Innovation in electricity free cooling technology	<b>Mr Atul Kapil</b> Group General Manager Leading Hospitality Services
11:25 – 11:30 hrs	<b>Q&amp;A Session</b>	
11:30 – 11:45 hrs	<b>Health Break</b>	
<b>1145 Hrs - 1320 Hrs: Session 6: Technical Session</b> <b><i>Circularity for Net Zero: Design, Materials, and Lifecycle Thinking</i></b>		
Circularity is becoming a key pathway for reducing emissions and improving resource efficiency across industries. This session will explore how organizations are redesigning products, rethinking material choices, strengthening circular procurement practices, and applying lifecycle approaches to support net zero goals. Discussions will also highlight the role of product stewardship, reverse value chains, and circularity assessment tools in enabling sustainable business transformation.		
11:45 - 11:50 hrs	<b>Opening Remarks by Session Chair</b>	<b>Mr Santosh Kumar Singh</b> Chairman, CII-GreenCo Mumbai Forum & Chief Sustainability Officer, Larsen & Toubro Ltd
11:50 - 12:10 hrs	Context Setting presentation	<b>Mr N Muthusezhiyan</b> Deputy Executive Director CII Green Business Centre
12:10 - 12:25 hrs	Presentation	<b>Mr Sagar Soni</b> AGM and Lead - Product Sustainability Hindalco Industries Limited
12:25 - 12:40 hrs	Presentation	<b>Ms Hetal Udas</b> Head of Customer Success One Click LCA
12:40 – 13:00 hrs	Securing India's Water Future through Water Credits	<b>Mr K Ganesh</b> Director - Sustainability & Corporate Affairs Bisleri
13:00 - 13:15 hrs	The Loop We Forgot to Close - Rethinking the lifecycle of sanitary waste	<b>Mr Ajinkya Dhariya</b> Founder & CEO PadCare Labs
13:15 - 13:20 hrs	<b>Q&amp;A Session</b>	
13:20 - 14:15 hrs	<b>Lunch Break and Visit to Exhibition</b>	
<b>1415 Hrs - 1530 Hrs: Session 7: Technical Session</b> <b><i>Clean Energy and Electrification Pathways for Industrial Decarbonisation</i></b>		
The transition to net zero requires industries to accelerate the adoption of renewable energy, electrification, and low-carbon infrastructure solutions. This session will showcase how organizations are advancing decarbonisation through renewable energy deployment, energy-efficient lighting systems, electric mobility solutions, and integrated clean energy approaches. Industry experts will share practical experiences and scalable solutions that support the shift toward cleaner and more resilient industrial operations.		

14:15 - 14:20 hrs	Opening Remarks by Session Chair	
14:20 - 14:35 hrs	Presentation	<b>Mr Vinay Kumar</b> Chief Executive Officer Vibrant Energy
14:35 - 14:50 hrs	Global Perspective of Electrification in Industrial Decarbonization and Potentials in India	<b>Mr Soumya Garnaik</b> Country Representative Global Green Growth Institute
14:50 - 15:05 hrs	Smart Lighting Solutions for Energy Efficiency and Sustainable Buildings	<b>Mr Sayantanu Dutta</b> Product Manager & Lead - Industry Segment Wipro Lighting
15:05 - 15:20 hrs	Industrial Decarbonization through Green Electron-to- Green Molecule Pathways for Net Zero Industries	<b>Mr Prem Prakash Bharti</b> Head - Strategy & Growth TrueRE Oriana Power
15:20 - 15:25 hrs	<b>Q&amp;A Session</b>	
<b>1530 Hrs - 1650 Hrs: Session 8: Technical Session</b> <b>Water Stewardship and Nature-Based Solutions for Sustainable Industry</b>		
Water security and ecosystem health are becoming critical priorities for industries navigating climate and sustainability challenges. This session will highlight industry experiences in water stewardship, nature-based solutions, and integrating natural ecosystems into sustainability strategies. The discussions will showcase practical approaches that support resilience, resource security, and long-term environmental value creation.		
15:30 - 15:35 hrs	Opening Remarks by Session Chair	<b>Mr Nihal Kaul</b> Chairman, CII-GreenCo South Andhra Pradesh Cluster & Head Manufacturing, Mentor Sustainability - Hero MotoCorp Ltd.
15:35 - 15:50 hrs	Integrating nature into business: From offsets to value creation	<b>Mr Ashok Jain</b> Managing Director Terracon Ecotech Pvt Ltd
15:50 - 16:05 hrs	SCSM (Supply Chain Sustainability Management) – Technology Enabled Managed Services Solutions	<b>Mr Akshay Kurian</b> Head of Consulting Treeni Sustainability Solutions Pvt. Ltd.
16:05 - 16:20 hrs	Presentation	<b>Mr Maitrey Vartak</b> Principal – Technology & Strategy Indra Water
16:20 – 16:45 hrs	Water stewardship in action: Industry experience 1	<b>Mr Premkumar K</b> FDY - Process Engineering Lakshmi Machine Works Limited, Foundry Division
16:45 - 16:50 hrs	<b>Q&amp;A Session</b>	

*\* Invited. Confirmation is awaited*
